As The British School hits its landmark 60th Anniversary, we wanted to reach out to all the students and teachers that have helped make the School such a wonderful, creative and joyous place to learn and grow.

Since opening its doors at La Hacienda in Las Mercedes, The British School has prided itself in providing the highest quality of education, successfully mixing the educational content of the English National curriculum and the richness of Venezuelan culture.

Many changes have taken place during these six decades. The School has gone from strength to strength and now boasts more than 250 students from 31 different

countries. The infrastructure has changed as well, giving way to a large central sports field and a modern roof for the Amphitheatre.

THE BRITISH SCHOOL
WILL BE CELEBRATING 60
YEARS OF TEACHING
IN 2010-11

Some things remain unchanged, as they have become tradition: Santa Clause still climbs down the roof at Christmas and all the children enjoy the preparations and performance of the weekly Assemblies. The Spring Fayre, Swimming Gala, Sport Days, Book

Week and field trips continue as yearly highlights.

Yet, as we approach 60 years of TBSC, we also look towards the future. Building on our strengths, the School is expanding to offer the older children and new students the opportunity to go from Year 8 to 9 and, hopefully, beyond that as well. To keep growing, the School will be reaching out to all those students whose life was shaped by their years at TBSC. This is the first of a monthly e-newsletter, which will be sent out during the academic year. There will also be a special page on the new website devoted to Alumni and we encourage everyone to check it out.

As part of the 60th Anniversary celebrations, TBSC is organizing a new and improved Alumni Association.

The Alumni Association will provide a jumping-off point for former students of all ages to get in touch with former classmates and get involved in

School activities. The Alumni Association page on the new TBSC website will provide information about how to get in touch, events and how to contribute with the School.

To contact the Alumni Officer, email us at alumni@ybscaracas.com.

The School will try to contact as many former students as possible, but this can be difficult. We would like to ask those former students who have received our newsletter to spread the word and get as many of their schoolmates updated on School news.
